

IC-2010-78

8 May 1978

25X1 MEMORANDUM FOR: []

National Intelligence Officer for Nuclear
Proliferation, National Foreign Assessment
Center

25X1 FROM: []

Director of Performance Evaluation and Improvement,
DCI/Resource Management

SUBJECT:

Assessment of Nuclear Proliferation Intelligence
Activities and Developments; NIO/NP Status
Report of Finished Intelligence Production []

25X1

25X1 1. [] I am attaching for your comments and coordination
25X1 a proposed memorandum from [] D/DCI/RM, to the Intelligence
Community agencies concerned which requests inputs on an assessment
of the Community's progress and prospects for the nuclear proliferation
program. Such an assessment is necessary so that investment decisions
can be made and for the best guidance of our resource allocations in
this field.

25X1 2. [] The proposed memorandum requests, as well, a report
from you on the status and schedule of finished intelligence production
from FY 77 through projected FY 79 reflecting work in-house and at
the national laboratories.

25X1 3. [] May I have your comments by 16 May 1978. If you have
any questions on the attached, please give me a call on []
